Materials for Implementing The Dinner Party K-12 Curriculum

The Dinner Party: From Creation to Preservation by Judy Chicago (Merrell Publishers; 2007)

The definitive history of the struggle to create and preserve this monumental icon of 20th century art; lavishly illustrated with updated research on the 1038 women represented in Judy Chicago's masterpiece, now permanently housed in the Elizabeth A. Sackler Center for Feminist Art at the Brooklyn Museum.

A DVD Tour of The Dinner Party

Narrated by Judy Chicago, this 40 minute visual walk around *The Dinner Party*, can be shown in its entirety or excerpted by teachers to allow students an in-depth examination of the art.

Heritage Panels

Available for the first time through Pomegranate Publishers, this package of reproductions of the Heritage Panels (which include the 999 women of achievement whose names appear on the porcelain Heritage Floor) can be used as posters to provide historical information about women's history to students of all ages.

Posters and Postcards

An array of full-color posters and postcards illustrating plates, runners and details from *The Dinner Party*. Can be laminated for long-term use.
