FREDONIA HIGH SCHOOL ART DEPARTMENT

Advanced Drawing and Painting

Lesson – 4th grade collaboration

Art Objective:

You will be creating through collaboration with the 4th graders. The fourth graders drew robots and you are going to choose one from a class to create 3-d.

Requirements:

1. Choose a robot to recreate.
2. Plan your robot from all sides in your sketchbook. This should be four different views with notes on your materials you want to use
3. Construct your robot.
4. Make sure the patina is professional

Criteria:

Finished robot will:

1. Clearly demonstrate thought out sides to the sculpture. Looks good in the round
2. Patina matches the fourth graders.
3. Professionally finished.
4. Stands and reads as a robot.
